

"People on the Move"

30 Year Industry Veteran Joins Crystal Clear Window Works USA

Nashville, TN (March 9, 2006). Crystal Clear Window Works USA (CCWW), the nation's leading provider of window restoration and defogging services, is pleased to announce Frank Kopich of Cincinnati, Ohio has joined the company. A popular 30-year veteran of the industry, Mr. Kopich will help build out the company's franchise dealer network and develop strategic relationships with fenestration companies and IG fabricators.

Mr. Kopich is a well known window industry personality who has owned and operated a variety of flagship businesses serving the Cincinnati and Dayton Ohio markets. He managed the Pella distributorship in Cincinnati, launched the Renewal by Andersen dealerships in Cincinnati and Dayton, Ohio and also founded the Perma View window replacement company in Cincinnati. Known affectionately among peers as "the window guy", Frank has been a colorful host on the area's home improvement radio shows and is a great supporter of local communities and charities.

"Frank is a key addition to the Crystal Clear Window Works team. He brings a mountain of industry experience and relationships." says John Hennessy, CEO of Crystal Clear Window Works. "His knowledge will flow through the entire organization and empower CCWW to better understand and deliver on the needs of our dealers and clients. We are naturally pleased, and very fortunate to have him with us".

Mr. Kopich and his wife, Marie, purchased one of the first CCWW USA LLP authorized dealerships. They recently sold the 'Fog B Gone' branded business to Braco Window Cleaning Service Inc., now serving the Tri-state areas of Southern Ohio, Northern Kentucky and Southeast Indiana.

About Crystal Clear Window Works

Crystal Clear Window Works has revolutionized the way homeowners and property managers manage failed windows. The company's proven process for restoring thermal functionality and the aesthetic qualities of residential and commercial windows has also provided a cost effective, environmental alternative to replacement. The company formally established a dealer network in 2002, and today, over 100,000 units have been serviced across the United States and Canada.
